I can incorporate current market (vacant land) conditions & analysis from the following expert sources:

Applied Analysis-current (quarterly) '05 report
CB Richard Ellis - Keith Spencer, Land Specialist (20+ Years)
IPG - Industrial Property Group - last eleven BLM land auctions sales-2nd qtr. '05 report
CLV planning dept-working on report

Mike Luce with Bill Walters is dropping off the subdivision map on CD for Bill to incorporate into powerpoint.
