Re: Royal Links Investigation

Dear Mayor Goodman and Members of the City Council:

As you know, our firm, Senn Meulemans, LLP, has been retained by the Attorney General's Office to conduct an investigation involving the Royal Links Golf Course. The budget for this investigation was specifically approved by the Board of Examiners, on December 12, 2005. At the hearing on this issue, the Board of Examiners, consisting of the Governor, the Attorney General and the Secretary of State, expressed their intentions to conduct a "clear and transparent investigation." As you know, Metro has conducted an investigation and we have been provided many documents and materials generated by their inquiry. But, in order to carry this investigation out thoroughly and effectively, we would like to confirm that our office will have full and complete access to all City employees and documents, including all relevant documents in the possession of the City Attorney's Office.

If this determination requires a formal proceeding, we respectfully request that our request for full and complete access to all City personnel, files and records be placed on the City agenda as soon as possible and that we be given notice and an opportunity to appear and be heard.

Your prompt attention to this matter will be greatly appreciated.

Sincerely,

/s/

Catherine S. Meulemans
