Re: **Royal Links Investigation**

Dear Mayor Goodman:

Thank you for your letter of today's date. While I appreciate the fact that you have placed an item on the City Council agenda for February 15, 2006, I am perplexed by the broad subject description of the agenda item. At this time, we are prepared to attend a City Council meeting only as to the issue of whether or not the City intends to waive the attorney-client privilege as it relates to the foregoing investigation. Accordingly, if you could so kindly revise the subject matter of the hearing to address solely the attorney client privilege issue, we would be happy to attend and participate in the hearing on February 15. Please advise.

I thank you for your continued courtesies in this matter.

Sincerely,

Catherine S. Meulemans
